

Planning U.S.A.

WHAT IS *Planning U.S.A.*?

✓ Planning U.S.A. is a specialist unit researching and documenting every development in the over 50s housing sector in the U.S.A.

✓ Every nursing home, extra care, CCRC unit, retirement village, supported housing / Tax credits housing and dementia development is reviewed and provided to you on a weekly basis.

✓ The name of the project, full contact details for the developer, and a status report on the proposed development is provided to you. This enables you to target business contacts and develop your own supplier arrangements.
